Our team of professionals use an expert blend of online know-how, excellent communication skills and technical expertise to create and deliver a custom online solution for your business that will create a myriad of successes. Below is a snapshot of the services we provide to proactively grow YOUR online profile on a daily basis!

## Custom Social Media Marketing Campaign

Interested in one of the most proactive marketing approaches that can increase your online profile and your business? If so, then the Go! Media's Custom Social Media Marketing Campaign is the right choice. This campaign in particular offers a comprehensive solution to your online marketing needs that takes on a myriad of activity to truly explode your online visibility and drive traffic to your online point-of-sale.

During this campaign, the Go! Media team of experts will execute a mixture of the following actions, custom designed for your campaign's success:

- Social Network Marketing: Using Twitter, Facebook, LinkedIn
- Video Creation for Viral Marketing
- International Article Marketing
- Online Press Release Writing and Distribution
- Custom Blog Design and Expert Author Blogging Service
- Conversion Ready Web Sales Page Design and Incentive Creation
- Custom Branded Email Marketing Campaign
- And More!

This campaign is work intensive and takes an extremely proactive approach to marketing your business, as well as your own profile, online. Even better, if you are busy, Go! Media can execute the campaign 100% on your behalf! Match this with outsourcing the entire online marketing for your business within a cost-effective structure and our proactive, not reactive, approach and you have an ongoing campaign built to fit your needs. After a brief consultation and audit of your online visibility, Go! Media will propose the perfect mixture of the above services. Once the approach is agreed, the launch of this huge campaign can happen within 24 hours!

***Are you looking to only build your profile and business using a specific service?***

The above approach is also available "a la carte" to fit your promotional needs.
